PROFESSIONAL PROFILE

Results-driven finance professional with 4+ years of experience in management accounting, budgeting, taxation, statutory compliance, financial reporting and reconciliations. Skilled in preparing annual budgets, periodic re-forecasts, segmental monthly management accounts and statutory returns through the IRD portal. Strong QuickBooks and Excel capability with prior exposure to audit processes, stakeholder coordination and deadline-driven reporting environments.

CAREER SUMMARY

Senior Accounts Executive / Finance Executive

GS Optimize (Pvt) Ltd, Colombo | Jan 2022 - Present

- Prepare annual budgets and periodic re-forecasts in line with business priorities, revenue assumptions and operating cost plans.
- Finalize monthly management accounts for business segments, including revenue analysis, accruals, prepayments, variance explanations and management schedules.
- Perform tax computations and submit statutory returns through the IRD portal within required deadlines, including VAT, WHT/APIT and income tax-related schedules where applicable.
- Maintain compliance with statutory regulations by coordinating required documentation, reconciliations and supporting schedules for review.
- Carry out periodic reconciliations with related group companies and follow up on outstanding balances, debit notes, credit notes and settlement differences.
- Liaise with internal teams, external auditors, tax consultants, banks and group finance stakeholders to support reporting accuracy and project alignment.
- Use QuickBooks and Excel to maintain accounting records, prepare reports, monitor ledger movements and improve month-end closing efficiency.
