PROFESSIONAL SUMMARY

Detail-oriented Finance Assistant with experience in bookkeeping support, invoice processing, petty cash handling, bank reconciliation, payroll support, MS Excel reporting, and financial documentation. Also has academic exposure to basic web design and programming.

WORK EXPERIENCE

Finance Assistant - Lanka Retail Holdings Pvt Ltd, Colombo

March 2024 - Present

- Processed supplier invoices, purchase records, and payment vouchers for monthly accounting activities.
- Supported daily bookkeeping by recording sales, purchases, receipts, and expense entries.
- Assisted bank reconciliation by comparing bank statements with internal payment records.
- Maintained petty cash records and supporting documents for reimbursements.
- Prepared Excel-based financial summaries, expense reports, and simple cash flow updates.
- Assisted payroll preparation by checking attendance summaries, overtime records, and salary sheet details.
- Organized accounting documents, tax invoices, and filing records for internal review.

Finance Intern - GreenLine Distributors, Colombo

August 2023 - February 2024

- Entered financial data into accounting spreadsheets and verified invoice information.
- Assisted the finance team with monthly expense tracking and voucher filing.
- Prepared basic debtor and creditor lists using MS Excel.
- Supported document preparation for audit and tax-related file reviews.

ACADEMIC PROJECT

Small Business Financial Record System - Diploma Project

- Prepared sample bookkeeping records, income summaries, and expense reports for a retail business.
- Used MS Excel formulas to calculate totals, balances, and monthly profit summaries.
- Designed a simple finance dashboard layout using HTML and CSS for academic presentation.
